MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : FY 76 Personnel Development Program,
Part I

1. Forwarded herewith is the FY 76 Personnel Development Program, Part I consisting of the consolidated report for the Agency and the individual reports of the Career Services. Also included are brief comments on the various charts of the report. Because of the deadline for your receipt of this material and the delayed submission by the Services, we have been unable to make a detailed analysis or prepare executive comments.

2. A spot check of the Career Service submissions indicates some of the percentages may be incorrect, perhaps due to misunderstanding of the intent of the chart. Where Career Service goals and percentages are reflected on the consolidated charts, we have corrected the percentages.
